Description

Highly Equipped Porsche Sports Convertible with All-Wheel Drive

This exceptionally well-specified Porsche sports convertible combines performance, luxury, and everyday usability at a very high level. With permanent all-wheel drive, a sporty chassis setup, premium leather interior, and an extensive list of comfort and assistance features, this vehicle offers a refined driving experience with unmistakable Porsche character.

The configuration is particularly impressive thanks to its exclusive special paint finish, natural leather interior, carbon trim package, adaptive sports seats, and numerous high-end options that enhance both comfort and driving dynamics. The vehicle was not used in winter operation.
