Description

Porsche 911 GT3 RS (992) with Weissach Package

This Porsche 911 GT3 RS (992) is a highly exclusive, track-focused high-performance sports car configured with the sought-after Weissach Package. First registered in 02/2020 in Switzerland, this two-seat model combines uncompromising motorsport engineering, lightweight construction, and outstanding driving dynamics in one of the most desirable 911 variants available.

With its naturally aspirated 4.0-litre engine producing 383 kW (approximately 520 hp), lightweight setup of around 1,500 kg, Clubsport equipment, and ceramic high-performance brakes, this GT3 RS is designed for drivers who value precision, performance, and authentic racing character.
