Description

The Carthago C-Tourer T 143 LE is a high-quality motorhome designed for comfort, style, and reliability. Built on a robust heavy chassis (3.5t or 4.5t), it combines German engineering with premium living features, making it perfect for both short trips and long journeys.

With a total length of 705 cm and a well-optimized interior layout, this model offers a spacious and refined living experience for up to 4 passengers, with comfortable twin beds for restful nights.

Powered by a diesel engine with a smooth 9G automatic transmission and front-wheel drive, it ensures an effortless driving experience. The vehicle is equipped with the advanced Mercedes MBUX 10.2" system, navigation, rear-view camera, and DAB radio for maximum convenience on the road. The interior features elegant Macchiato partial leather and the exclusive Casablanca design world, creating a warm and modern atmosphere. Additional highlights include a large rear garage, premium habitation door, electric roof ventilation, lithium battery system, and a complete solar setup with inverter supplying all 230V sockets.

With generous fresh (100L) and waste water (80L) tanks, gas heating, hot water boiler, and full kitchen equipment, this motorhome is fully prepared for independent travel.
