Description

The MAN TGE 3.180 L3H2 2.0 TDI Automatic is a rare and highly versatile van, perfectly combining practicality, performance, and flexibility. Registered as an N1 commercial vehicle with 7 seats, it offers significant tax and insurance advantages while remaining fully suitable for everyday use. One of its standout features is the intelligent rail system (3 rails), allowing the seating configuration to be easily adjusted from 2 up to 7 seats. The seats can be repositioned, arranged in multiple layouts, or completely removed, transforming the vehicle from a comfortable passenger transporter into a spacious cargo van within minutes.

Powered by a strong 2.0L diesel engine producing 130 kW (180 HP), paired with a smooth 8-speed automatic transmission and front-wheel drive, this MAN TGE delivers both performance and driving comfort. It also offers an impressive towing capacity of up to 3,000 kg, making it ideal for both business and private use.

This vehicle is in exceptional condition:

Accident-free and damage-free

Non-smoker vehicle

Stored indoors between 2021-2024

Only 2 drivers from new
