### Description

This Carthago Chic E-Line I51 "Linerclass" represents the perfect combination of luxury, engineering excellence, and long-distance travel comfort. Finished in elegant silver metallic, this motorhome is in immaculate condition, meticulously maintained, and equipped with an extensive list of high-end extras.

With a length of 7.83 meters, a width of 2.27 meters, and a height of 3.20 meters, it offers a spacious and refined living environment. Built on a robust platform with a 180 HP engine and automatic transmission, it ensures a smooth and reliable driving experience, complemented by a VB-Air full air suspension system for maximum comfort and stability.

Inside, the layout is thoughtfully designed for 4 people, featuring:

Twin single beds and an additional electric drop-down bed

A spacious side bathroom

A bright and open living area with premium finishes

The motorhome is exceptionally well equipped for independent and luxury travel, including:

Comfort & Living:

High-end interior in pristine condition

Electric roof skylight (Heki) with rain sensor

Full LED lighting throughout all storage compartments

Thetford compressor refrigerator with separate freezer drawer

Built-in oven, gas cooker, and extractor fan

Alde heating system supported by a Webasto diesel heater

Technology & Autonomy:

300Ah lithium battery system  
400W roof solar panel + additional 200W portable solar panel  
3000W Victron inverter (pure sine wave)  
Additional battery charger for both leisure and starter batteries  
LTE & WiFi external antenna - create your own onboard network  
Garmin Camper navigation system with rear-view camera  
Water & Utilities:  
200L fresh water tank / 200L waste water tank
