Layout / Type	Motorhome

Description

This Carthago Chic E-Line I49 Yachting is a true luxury motorhome, designed for discerning travelers who value comfort, quality, and independence. Built on the robust Fiat Ducato AL-KO heavy-duty chassis, it combines outstanding driving stability with refined living space and top-tier craftsmanship. Powered by a reliable 2.3L diesel engine with 148 HP, this motorhome delivers smooth and efficient performance, with an average consumption of 10-12 L/100 km. With a total length of 7.39 m, it offers generous interior space while remaining easy to handle on long journeys.

Inside, the layout is thoughtfully designed for 4 travel seats and 4 sleeping places, including:

- A spacious rear double bed
- A comfortable drop-down bed (Hubbett)
- A luxurious full bathroom (Raumbad)

The interior reflects Carthago's premium "Yachting" style, featuring high-gloss cream kitchen fronts, partial leather upholstery, and a warm, elegant living atmosphere enhanced by soft carpeting and refined finishes.

This motorhome is exceptionally well equipped for long-term and autonomous travel, including:

- Comfort & Living:
 - Alde hot water heating system (gas & electric)
 - Large panoramic skylight (Heki III)
 - 4.5 m roof awning
 - Nespresso coffee machine integrated into the kitchen
 - 160L AES refrigerator
 - Exterior shower (hot & cold)

Technology & Electrical System:

600W solar panel system

Second leisure battery

1800W inverter (12V to 230V)

Multiple 230V and 12V outlets

Advanced lighting and energy management

Driving & Safety:

Cruise control

Automatic cab air conditioning

Driver & passenger airbags

Central locking system with remote control

High-performance suspension with AL-KO level control

Multimedia & Connectivity:

Zenec navigation system

Radio/DVD system

Oyster satellite system with 22" HD TV

Additional TV connection in sleeping area

Exterior & Practical Features:

Large rear garage with upgraded storage system

Motorcycle carrier system (Sawiko)

Tow hitch with 1,780 kg towing capacity

Hydraulic leveling system

Aluminum wheels + additional winter wheels

Additional highlights include:

Double floor storage system (40 cm)

Heated living space using engine heat exchanger

Gas system with crash sensor (Truma DuoControl)

SOG toilet ventilation system

This Carthago offers a rare opportunity to own a fully equipped, luxury liner-class motorhome with extensive upgrades—perfect for comfortable long-distance travel or full-time living.

Viewings and test drives are available upon request.
