Description

Mercedes-Benz Marco Polo V 250 d Edition 4MATIC

This exceptionally well-maintained Mercedes-Benz Marco Polo V 250 d Edition 4MATIC combines premium travel comfort, refined camper functionality, and the proven quality of Mercedes-Benz. The vehicle is accident-free, comes from a non-smoker and pet-free household, and presents itself in excellent overall condition with a particularly well-kept interior.

With its powerful diesel engine, permanent all-wheel drive, high-quality Lugano leather interior, and extensive camper equipment, this Marco Polo is perfectly suited for both everyday use and comfortable long-distance travel.
